Dear Colleagues and Friends,

In less than two weeks, U.A.E. will host its XXXIII Annual Congress in Naples, Italy.

Welcome drinks will be served on the terrace of the “Grand Hotel Oriente” on **27 June**.

On **Friday 28 June**, at the National Library “Vittorio Emanuele III”, our Congress will focus on ***Alternative dispute resolution (ADR) in the European legal context: evolving legal tools and sector-specific implementation***.

The Conference will be followed by the **Gala dinner** at the restaurant “La Terrazza” of the “Excelsior Hotel”, where we will enjoy an incredible panoramic view that includes the Vesuvius, the Gulf of Naples and the idyllic islands of Ischia and Capri.

The morning of **29 June** will be devoted to the presentation of the “Crea project”, as well as to the meeting of the Executive Committee of U.A.E., at the “Castel Capuano”.

On **Saturday afternoon**, a unique guided tour of the historic centre of Naples will take place.
